To my Sissy, Mommy and Daddy

 nce upon a time, Little Red Riding hood was out in the forest picking berrrrrrries berrrrries berries, so many berries.

She kept picking berries until she picked the most specially berry, the Golden Berry.

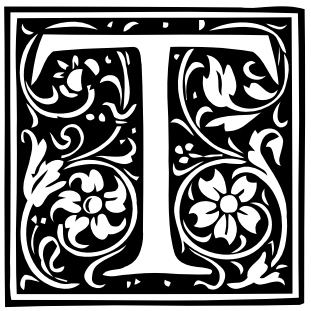

She brought the specially golden berry to her grandma, who had a tummy ache, and it made her feel better!

And then, (uh-oh) the Big Bad Wolf showed up and was VERRRRY grumpy and VERRRRY mean, so Little Red Riding hood and her Grandma invited him in for tea...

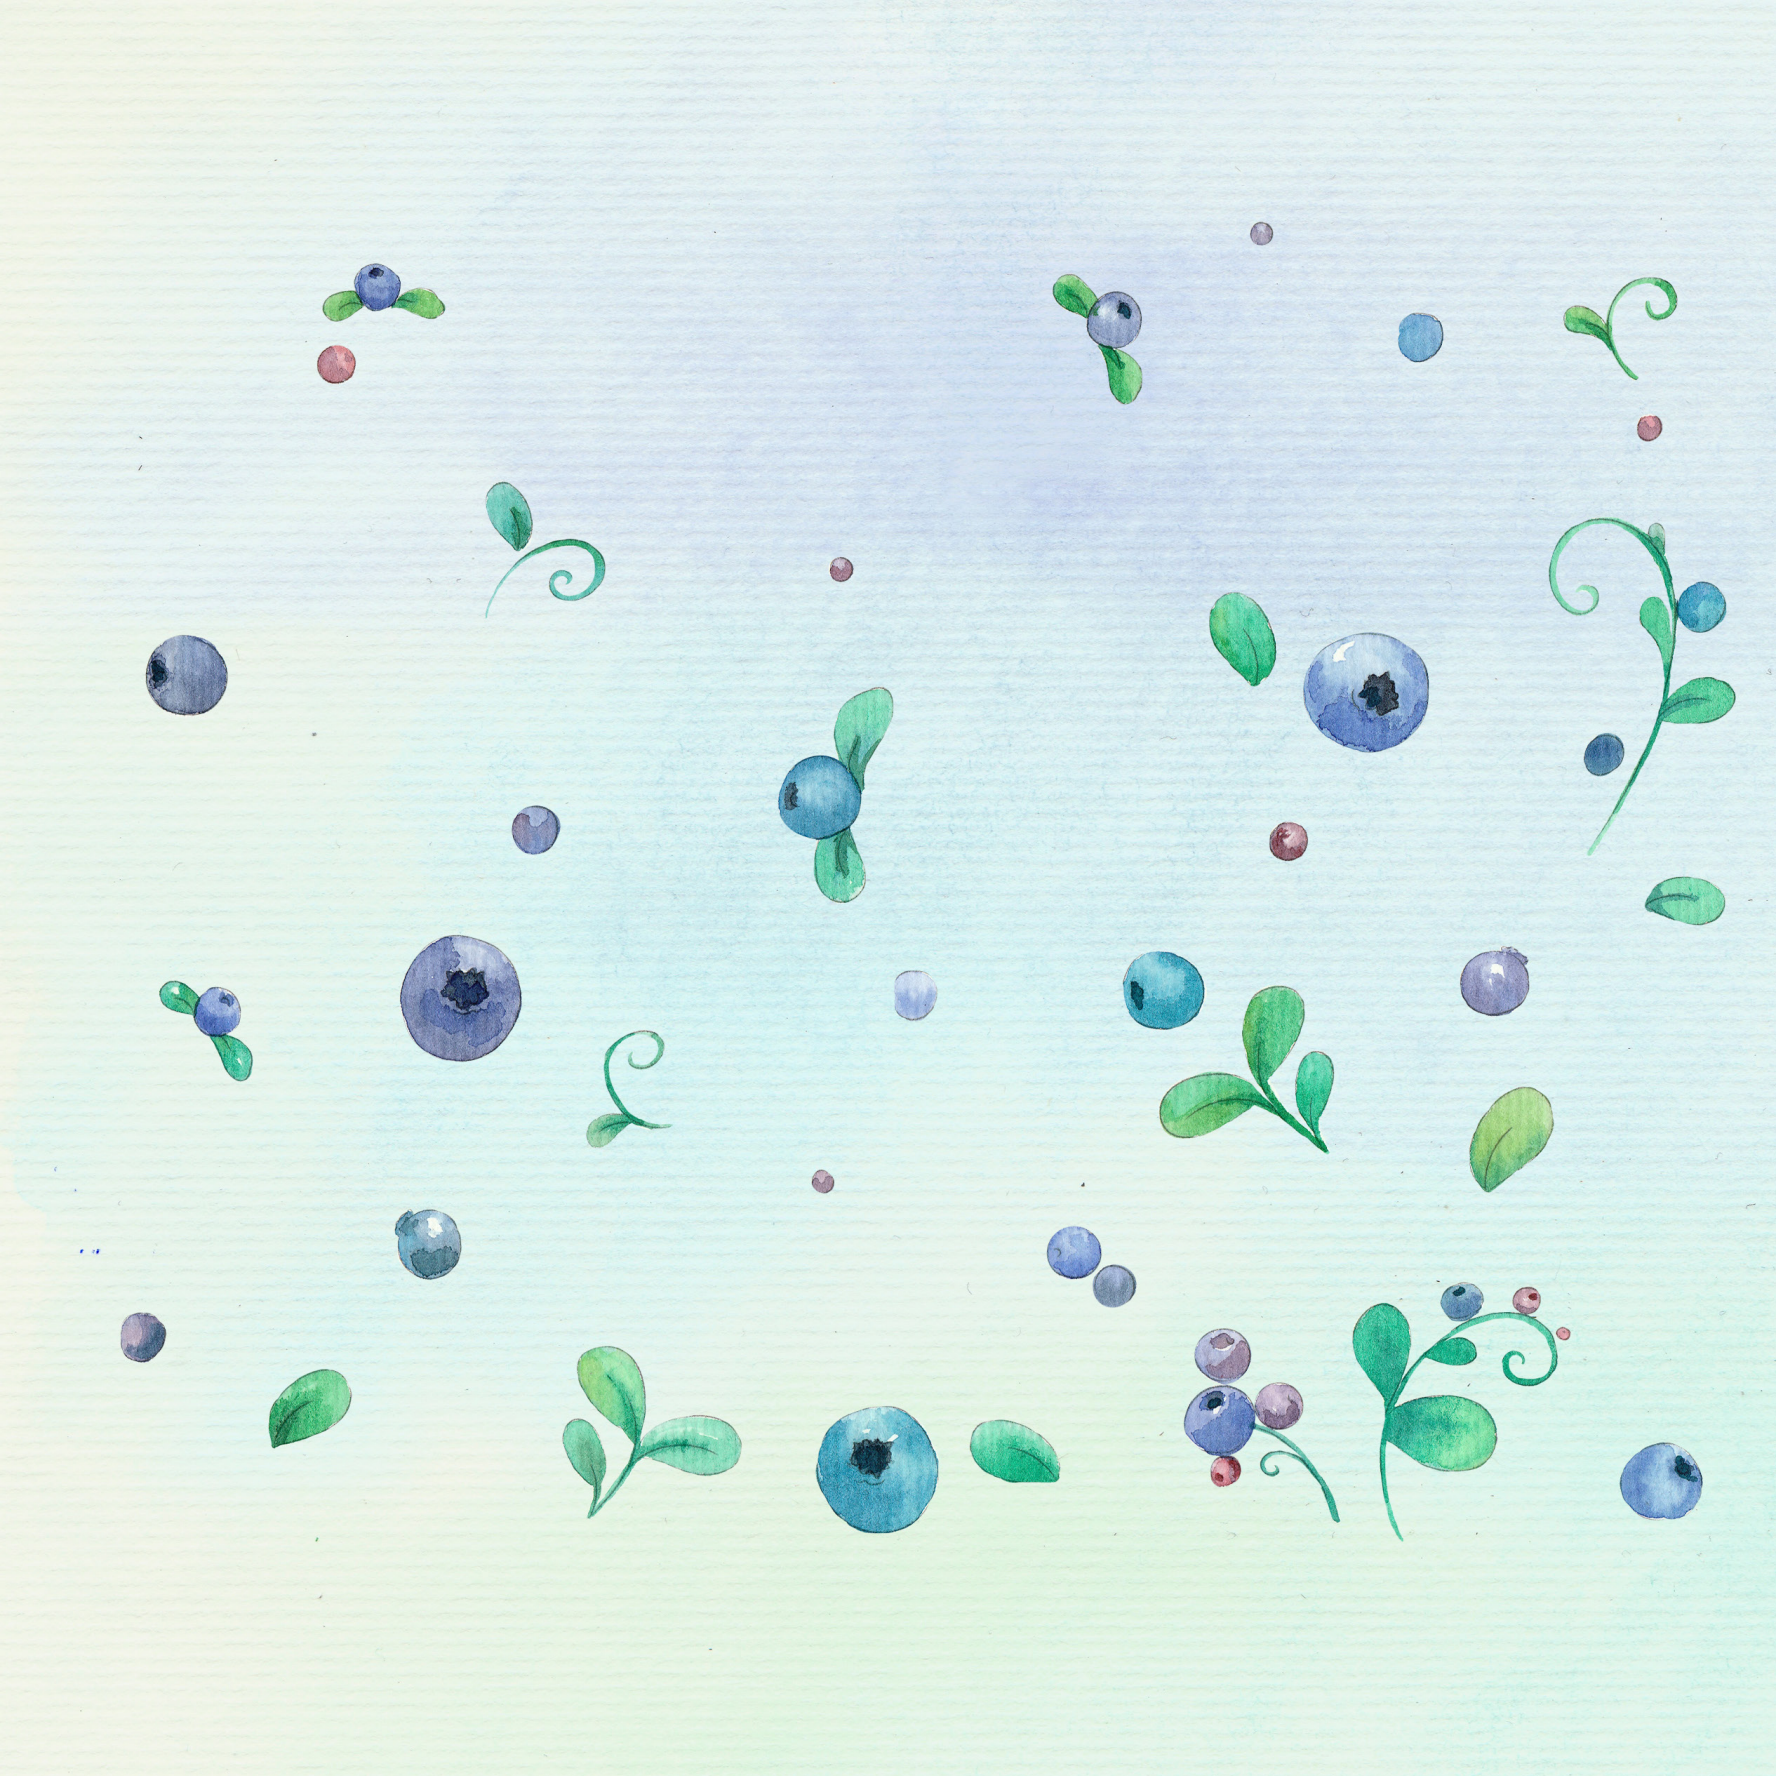

and he wasn't grumpy anymore.
